## ***Pequot Lakes Gridiron Club Golf Tournament***

**Sunday August 20<sup>th</sup>, 2023**

**Whitefish Golf Course – Pequot Lakes, MN**

**4 Person Scramble – Shotgun Start 10am**

**Four Person Scramble** – All team members tee off on each hole and then decide which tee shot they like best and mark the spot with a tee or ball marker. The other team members pick up their balls and place them within on club length (no closer to the hole) of the marked spot withing the same boundary (i.e...cannot go from rough to fairway. The ball can be cleaned and placed but must remain within that club length. Every team member hits their next shot and this process is repeated until the hole has been completed.

**Tee Shots** – Follow Local Whitefish rules for tee locations: Men from men's tees, seniors from senior tees and women from women's tees.

**Score Card** – Every team must turn in a score card to a tournament representative promptly after the round has been completed to be eligible for awards.

**Etiquette** – Please follow all signage for cart locations and stay clear of the greens and tee boxes with the carts. Please fix all marks / damage caused to the greens and rake all m arks left in the bunkers. Wait until the group ahead is clear and out of range before hitting. Please observe all local course rules and enjoy the round.

### **Advantages / Mini Games:**

**Mulligan** – If purchased, each player on the team gets 1 additional re-shot once during the round

**Yard Out** – If purchased, the team will get a yard stick, which that length of shot can be used in any combination throughout the round and will not count towards your score. For example, if the team lands 2 feet away from the pin in 2 on a par 4, they can choose to mark off 2 feet from the yard stick and write down a 2 for the score of the hole. The length of the yard stick can only be used once, but any combination, i.e. 6 inches one hole, 4 inches the next hole, etc....until gone.

**Skins** - Participate in a skins game where there is a value placed on each hole. Skins are worth a certain dollar amount, based on the number of teams participating. When a team has the lowest score on a hole, they win a skin. Each hole is worth one skin, therefore, in a round there are a total of 18 skins available.
