Greetings Whitefish friend,

Thank you for a spectacular 2023 golf season! On behalf of the entire WGC staff and board of directors I want to thank you for supporting our efforts this past season! We had another banner year and are looking forward to seeing you for more fun in 2024!

Each year our mission at Whitefish is simple: to provide you with the best up-north golf experience in the Brainerd Lakes Area. From our leagues to social events (and fun golf tournaments), we want Whitefish to be your place for golf and socializing. We take pride in being your "home away from home." In addition to the positive social and event experience, we also try to continually improve our already great golf course. This past season we were able to open eight new tee boxes, which are part of our long-range plan to improve the forward tees and to add a new set of Gold tee boxes, which provide an additional choice for golfers. This past fall we constructed five additional tee boxes to continue towards this end. Additionally, this past season we are also proud of building a new maintenance facility, which will provide a much needed shop area, increase our cold storage, and provide a better area for our staff to work. This project will go a long way toward keeping our equipment and staff in the best shape possible. We have lots of important things happening at Whitefish and we are glad you are along for the ride!

As many of you know, we have other exciting changes happening in 2024 as well. It is hard to believe, but after 28 wonderful years at Whitefish I will be moving on to new adventures in my life. Saying goodbye is never easy, but being part of all the significant progress that has been made over these years, and knowing that the course is in great hands, does make it much easier. Most importantly, however, I am so grateful for the many

lasting friendships I have made. I feel extremely fortunate to have worked at such a great Club, with such an amazing staff and membership. Saying farewell is bittersweet for me as I will miss you all so much, but I am also joyful because I could not have imagined a better place to work. Thank you.

With that, I am excited to introduce my successor: Logan Jackson. Logan comes to us with an impressive resume, having worked most recently as the Head Golf Professional at Cragun's Legacy Courses and prior to that as the Head Professional at the Pines Golf Course at Grand View Lodge. His experience in managing high-end, busy golf courses is a perfect fit for Whitefish. I am so excited for Logan and for you to welcome him with the good cheer that Whitefish has become known for! The future of Whitefish is bright!

In this newsletter, you will find our **Early Bird Membership Offerings**. Make 2024 your year to get out and play more golf, socialize with other golfers, and of course, have the most fun possible! This is the beauty of our game...and of Whitefish Golf Club! Whitefish provides ALL of this and MORE! We want you and your friends to join us, so, please turn to page 3 to review our Early Bird Special and take advantage of saving on your 2024 membership! Lastly, we never forget how fortunate we are to have you as loyal supporters of Whitefish. Our golfers make up who we are and create the community we all enjoy. Thank you for being a part of our Whitefish family and for your support of the club. Cheers to all of you in 2024!

On behalf of the entire Whitefish staff, we look forward to seeing you all very soon!

Happy Golfing,

Steve Bengtson

## THE CABIN CARD

For those of you looking to play a little more golf this year, but feel that an unlimited golf membership doesn't quite fit your needs, then take a close look at our Cabin Card program.

This program is an attractive option for those who would like the flexibility to share rounds with others (i.e. share the cost), or to pass rounds on to their friends and family. And the beauty is that you choose the Cabin Card program that best suits your needs. Options are flexible to include: 20 or 40 rounds walking, or with a cart, in both a Weekday only, or Any Day option. By purchasing a Cabin Card you'll enjoy significant savings off your golf fees!

The rounds are yours and may be used by anyone as long as the Cabin Card passholder schedules the tee time. You may use up to 12 passes per day.
