

**Women's 18-Hole Golf League
Pequot Lakes, Minnesota
2021 Season**

Dearest golf sisters,

Spring is soon here! Even though it's our second golf season dealing with Covid, close your eyes picture yourself back amongst the pines and on the first tee at Whitefish.

It's going to be a great summer, and we should feel closer to normal with luncheons and meetings back on the calendar.

Steve, Anita and the league board have been working on the tentative schedule attached to this email. We're still prohibited from hosting a Guest Day, but the rest of the year will look similar to past years. And WOW (Women of Whitefish with the 9 Hole League) is back in August!

If you have previously paid to belong to the HOLE IN ONE club, there is no need to pay again as the proceeds will carry over from last year. If you haven't already entered and you wish to do so it will be \$5 and your name will be added to the list. I can't wait to see who wins this first!

I miss you gals and can't wait to see every one of you back! And hopefully we'll have a couple new members. Remember to reach out and invite anyone you know who may be interested in joining.

Fully vaccinated but still your pandemic President,

Debbie Enger
