

Whitefish
Women's 18-hole Golf League
Pequot Lakes, Minnesota
2022 Season

March 1, 2022

Dear League Friends,

Even in Minnesota, though sometimes we doubt it, spring will come – I promise! And won't it be great getting back together and on the course at Whitefish?

Our shotgun starts will be back as well as the opportunity to meet as a league for our monthly luncheons and meetings.

Our schedule is attached to this email; here are some of the highlights.

- Our 1st league day is set for **May 11**. We'll do a 1 p.m. shotgun followed by a welcome back happy hour.
- On **June 5th and 6th**, Whitefish will be hosting the Women's 4-ball Senior State Championship. Put together a foursome or plan on attending to follow and lend your support to the players during this exciting 2-day event.
- On **June 20th** Whitefish will host the Women's Invitational. It's a time for us to welcome players from nearby courses. Steve and his team are in charge of this event.
- Back this year is our Guest Day, set for **July 13**. Our hosts are Cathy Munger and Nancy McEnroe. Start thinking about your guest invitation and your event foursome as I know Cathy and Nancy will put together a fabulous event.
- The Annual Women of Whitefish (WOW) returns and is set for **August 25**. Last year's event with The Whitefish 9 and 18-hole leagues was a record-maker for its contributions to the Outreach Program of Brainerd Lakes, let's see if we can set yet another record.
- The attached schedule denotes our monthly league luncheon meetings. The cost for lunch this year will be \$15.

If you have previously paid to belong to the hole-in-one club, there is no need to pay again as the proceeds carry over from the previous year. If you haven't entered and wish to do so, the cost is \$5 and your name will be added to the list. Our Treasurer, Nancy Einan, will collect the money and record your addition to the club. Let's have a winner this year!

The league registration information is attached. Do you know someone that might be interested in becoming a member of our league? If so, please let me know and I will get them the information – the more the merrier.

I look forward to seeing each and every one of you on May 11.
