

Ideal Development Corporation
dba: Whitefish Golf Club
Proxy Designation Option

As a shareholder of the Ideal Development Corporation, you are asked each year to cast your vote for the annual Shareholders' meeting. Generally, the vote relates to the election of Directors, the appointment of the Accounting Firm, or the passage of miscellaneous business/operations proposals.

Some shareholders find they are not actively involved enough in Whitefish Golf Club (the Club) or shareholder matters and decide not to cast their vote.

For those shareholders, we offer this alternative Proxy Designation. Should you invoke this proxy designation (by signing below), you would continue receiving annual shareholder correspondence of any kind. You would retain the right to vote your shares in person, or by mail, in any year or for any matters you choose. However, in any year you do not cast your vote, your voting right would be proxied to the Club President who will vote your shares for you, based on the Board consensus. This allows the Club to more easily reach its required share Quorum responsibility, and continue to facilitate the ongoing business of the Club.

Please complete the form below to establish your proxy rights, and return it to the General Manager at wfgolf@uslink.net or mail it to: Whitefish Golf Club, 7883 County Rd 16, Pequot Lakes, MN 56472. This Proxy is valid from the day it is signed until such time you would contact us to rescind these proxy rights.

TODAY'S DATE: _____

This Proxy will relate to all of your owned shares, unless you designate a specific number of shares.
