Whitefish Golf... "Where everyone knows your name."

Cheers and Happy New Year from the staff of the Whitefish Golf Club!

As we get ready to start another season, we would first like to thank you for your strong support of "your club." That's right... Whitefish is "your club." There isn't another like it in the Brainerd Lakes Area. In this day and age, member owned facilities are few and far between. Being one of a kind is special. You're one of a kind...and Whitefish is one of a kind. That's why we're a great fit! And that's a big reason why we all LIKE IT HERE so much! Thanks for being a part of it!

We are excited about the upcoming season with all we have in store for you! From new golf events you can participate in (Wounded Warriors & Camp Knutson), to Friday night social events that allow you to meet new people, to our Women's 9 & Wine functions (and now our new Men's 9 & Stein nights) we're incredibly excited about providing you with the best golf season yet! Whether you're

interested in leagues, tournaments, or just casual golfing opportunities with friends, the most important part of Whitefish is that we work hard at making Whitefish your "home for golf." Our mission at Whitefish is simple: we want to provide you with the best up-north golf experience in the Brainerd Lakes Area and to provide you a comfortable and fun place to form lasting relationships with your Whitefish friends.

To assist you with this endeavor we are pleased to offer you our Early Bird Membership Special. This is a great opportunity to take advantage of some early season discounts and get yourself all set for a fun season of Whitefish golf. See page 3 for complete details.

We look forward to a great 2019 season and can't wait to see you this Spring!

Here's to Happy Golfing in 2019!

Someone you know looking for a club to join?

As you know, Whitefish is a remarkable place with a fun golf course, authentic up-north charm, a great sense of community, and oh, let's not forget...our wonderful members!....all things that are sure to impress new members! What sets us apart from all other facilities, however, is the sense of belonging and community our golfers feel as they walk through the door. Let's share that with others this year. If you know of anyone interested in joining a club, we would be grateful to hear about it. In fact, we are offering YOU and your referred friend an incentive when they join!

Referral Bonus!! As a current member, anytime you refer a friend to Whitefish and they join, not only will you receive a bonus, but they will too! It's a **WIN-WIN** for both of you. When your referred friend purchases any unlimited season golf pass, each party will receive a referral credit applied to their account. It's as simple as that!

- New members are those who have never been a member before or have not been a member in the previous two (2) seasons.
- Once a new member joins, they are eligible for the existing member referral benefits as well. No limit as to the number of new referrals for either party.
- **Bonus Value:** Single memberships receive a \$50 credit each, Couple memberships receive \$100 each.

Course Improvements

Hole #14

We're excited to inform you of a wonderful project we're going to tackle this Fall. As part of our ongoing efforts to make continual improvements to our already beautiful golf course, we're planning on improving hole #14 by removing the aging cart path and replacing it with a new one a little further to the right. This will provide more room for "errant" teeshots that seem to gravitate toward the existing path! The old path has served us well for many years, but is due for replacement. Additionally, we plan to construct some soft mounding between the fairway and new cart path to keep balls from bounding into the tree line. This will be a wonderful improvement to an already great hole, and we can't wait for it! This will be done in the later part of the Fall so as not to impede play. We'll keep you posted as the year progresses!

New Carts!

Yep, that's right. We're also updating our cart fleet this year, so you'll be riding in style with our new 2019 EZGO golf carts! These new carts will sport a new color for Whitefish - Platinum Silver, which will look great! Zoom-Zoom!
