## Whitefish Golf... "You're going to like it here!"

Dear Whitefish Friend,

Whew! What a doozy of a year! It is safe to say that 2020 was a year we will all remember! And, I think we could all agree, that we were fortunate to have our great game of GOLF to get us through a time like this. When so many other things were put on hold, at least we were able to enjoy being outside, socializing with our friends, all while enjoying The Game that is rivaled by few others. As we all know, golf is something special anytime, but during these challenging times we were doubly blessed to call ourselves golfers. We are so thankful for all our members, guests, and regular visitors who chose to spend their time with us. Thanks to you and your ongoing support, we can continue to provide the golf and services that we all enjoy. Thank you!

Moving forward, the New Year always brings with it the excitement and opportunity of another fun golf season at Whitefish. We are excited to get the 2021 golfing season underway, and we want to make sure you

are ready to hit the course early this year. To get the most out of your membership, take advantage of our Early Bird Special to receive an additional "Bonus Pack" valued at \$250, which includes discounts on guest golf and additional pro shop and dining discounts. Just fill out the enclosed membership statement and send it in by March 1st to lock in your savings!

At Whitefish, we are more than just a golf course. We are a group of active Lakes Area residents who enjoy golf and each other. We connect and socialize on the course with old and new friends while chasing a little white ball. Let us all get together and make 2021 the best year it can be! Thanks again for being part of our golfing family. We look forward to seeing you all VERY SOON!

In the spirit of the game: Be safe, be well, be kind!

As you know, Whitefish is a remarkable place with a fun golf course, authentic up-north charm, a great sense of community, and oh, let's not forget...our wonderful members!...all things that are sure to impress new members! What sets us apart from all other facilities, however, is the sense of belonging and community our golfers feel as they walk through the door. Let's share that with others this year. If you know of anyone interested in joining a club, we would be grateful to hear about it. In fact, we are offering YOU and your referred friend an incentive when they join!

**Referral Bonus!!** As a current member anytime you refer a friend to Whitefish and they join, not only will you receive a bonus, but they will too! It's a WIN-WIN for both of you. When your referred friend purchases any unlimited season golf pass each party will receive a referral credit applied to their account. It's as simple as that!

- New members are those who have never been a member before or have not been a member in the previous two (2) seasons.
- Once a new member joins, they are eligible for the existing member referral benefits as well. No limit as to the number of new referrals for either party.

## *Whitefish Exclusive...* THE CABIN CARD

For those of you looking to play a little more golf this year, but feel that an unlimited golf membership doesn't quite fit your needs, then take a close look at our Cabin Card program.

This program is an attractive option for those who would like the flexibility to share rounds with others (i.e. share the cost), or to pass rounds on to their friends and family. And the beauty is that you choose the Cabin Card program that best suits your needs. Options are flexible to include: 20 or 40 rounds walking, or with a cart, in both a Weekday only, or Any Day option. By purchasing a Cabin Card you'll enjoy significant savings off your golf fees!

The rounds are yours and may be used by anyone as long as the Cabin Card passholder schedules the tee time. You may use up to 12 passes per day.
